

North East, Maryland

Public Workshop

Help Develop Recommendations for the North East Component of the Cecil County Bicycle Master Plan

Wednesday, February 1, 2012, from 6 to 7 p.m.

presentation followed by Q&A/ discussion

106 South Main Street

North East, MD 21901

The *Cecil County Bicycle Plan* seeks to improve quality of life for residents and visitors by expanding the transportation system to foster safe, inviting and convenient choices for bicycle commuting and recreation. A proposed bicycle network will connect cyclists to and within each of the Towns and key destinations throughout the County.

Input is needed from residents, bicyclists, businesses, and other interested stakeholders to help develop recommendations for North East. Come to learn the plan's goals, and share your concerns and ideas about the proposed bicycle network, and other improvements such as bike parking, signage, and safety education. Following, a presentation will be made at the Planning Commissioners meeting at 7 p.m.

For More Information call WILMAPCO at (302) 737-6205 or toll free from Cecil County at (888) 808-7088, or visit the plan's webpage at www.wilmapco.org/bikececil.
