**Come and Share
Your Ideas
for the Cecilton
Component of the
Cecil County
Bicycle Plan**

*Help Shape the Future
of Bicycling*

WILMAPCO
Partners with you in transportation planning

**Wednesday, February 8, 2012,
from 6 to 7 p.m.**

Presentation with Q&A/ discussion

**Cecilton Town Hall
117 West Main Street
Cecilton, Maryland 21913**

The *Cecil County Bicycle Plan* seeks to improve quality of life for residents and visitors by expanding the transportation system to foster safe, inviting and convenient bicycling. A bicycle network will be proposed throughout the County and within each of the Towns.

Input is needed from residents, bicyclists, businesses, and other interested stakeholders to help develop recommendations for Cecilton. Come to learn the plan's goals, and share your concerns and ideas about the proposed bicycle network, and other improvements such as bike parking, signage, and safety education. Following, a presentation will be made during the Town Council meeting at 7 p.m.

For more information call WILMAPCO at (302) 737-6205 or toll free from Cecil County at (888) 808-7088, or visit the plan's webpage at www.wilmapco.org/bikececil.

This plan is being developed by the Wilmington Area Planning Council, with Cecil County, Municipalities, Maryland Dept. of Transportation and State Highway Administration, residents, bicycle advocates, and interested stakeholders.
