PURPOSE OF MEMORANDUM

To request the MDOT OPPPD request WILMAPCO to approve the following TIP amendment, upon WILMAPCO approval, notify the Federal Highway Administration - Maryland Division of the amendment to the WILMAPCO FY 2025 - 2028 TIP.

SUMMARY

The Maryland State Highway Administration (SHA) hereby requests WILMAPCO to amend the FY 2025-2028 WILMAPCO TIP to reflect the following action.

TIP	PROJECT	PHASE	NEW FUNDING
AZ3401	National Electric Vehicle Infrastructure (NEVI) Program	PE CO	(\$7,000) (\$692,000)

ANALYSIS

National Electric Vehicle Infrastructure (NEVI) Program (WILMAPCO AZ3401) — This requested amendment will decrease design funds by \$8,000 and will decrease construction funding by \$692,000 in the FY 2025-2028 TIP to ensure cash flows reflect actual expenditures to date, and the latest NEVI program and schedule. The funding included in the FY 2025-2028 TIP and that programmed beyond FY 2029 reflects funding needs for rounds one through three and future NEVI projects. The total project cost is estimated to be \$3,089,000.

Ms. Michelle Martin
Page Two

Design, which is anticipated to extend through FY 2029, includes 80 percent NEVI funding, 15 percent Surface Transportation Block Grant Program funding (converted through toll credits), and 5 percent state funding. Construction, which is anticipated to extend through FY 2034, includes 80 percent NEVI funding and 20 percent private funding through the Contractor.

The attached Statewide TIP (STIP) report documents MDOT's requested amendment with respect to funding for the above projects. This requested action will not impact scheduling or funding availability for other projects in the current STIP, which remains fiscally constrained. The modified funding does not affect the portion of federal funding programmed for transit or allocations of state aid to local jurisdictions in lieu of federal aid.

In addition, the Maryland Transportation Trust Fund (TTF) remains fiscally constrained. The TTF supports State transportation system operation and maintenance, MDOT administration, debt service, and capital projects. Semiannually, MDOT updates revenues and expenditures using two national forecasting companies' latest economic estimates. The MDOT published funding details in the FY 2025-2030 Consolidated Transportation Program and FY 2025-2028 Maryland STIP.

Please modify the FY 2025-2028 WILMAPCO TIP and FY 2025-2028 Maryland STIP to reflect the funding information provided in the attachments. If you have any questions, please contact Ms. Alexandra Brun, Regional Planner, SHA RIPD, at 410-545-5560 or abrun3@mdot.maryland.gov.
